The background of the image shows a group of people sitting on a balcony or terrace, their silhouettes dark against a bright, slightly hazy cityscape. In the center of the cityscape, a large, prominent building with a dome is visible, likely a government or institutional building. The overall scene is dimly lit, with the primary light source being the city lights and sky, creating a silhouette effect for the people in the foreground.

What are you waiting for ?

More than **90,000+** students
already enrolled in the **last**
month at SmartGurucool.
